VEC, INC. CELEBRATES 20TH ANNIVERSARY OF THEIR SYSTEMS INTEGRATOR DIVISION

Girard, OH - Nov. 16, 2021 – The Systems Integrator Division at VEC, Inc., a local electrical and general contracting provider, is celebrating 20 years of technological excellence!

VEC, Inc. is comprised of six divisions that provide full contractor services to a variety of industries. The Systems Integrator Division consists of certified engineers who provide technology solutions to customers. Their team helps customers with audio/visual applications, CCTV security applications, professional sound systems, voice & data cabling applications, and data network solutions.

“I am proud of the work this division has accomplished,” said Brandon Davies, Vice President of the Systems Integrator Division. “I’m excited for what the next 20 years holds for the future.”

VEC, Inc. started as a local contractor in 1965 that promptly grew into a full-service electrical and general contracting provider. The company has six divisions: civil & infrastructure, general contracting, industrial, oil & gas, power, and systems integrator that work harmoniously together to handle projects of any size and in any part of the United States. They are members of the Power & Communication Contractors Association, the National Electrical Contractors Association, the International Brotherhood of Electrical Workers (IBEW), United Brotherhood of Carpenters (UBC), International Union of Operating Engineers (IUOE), Laborers International Union of North America (LIUNA), United Association of Plumbers, Fitters & Welders (UA), The Association of Union Constructors (TAUC), Building Industry Consulting Service International (BICSI) as well as other associations.

For decades, VEC, Inc. has shared its wealth of experience and expertise to build genuine and lasting relationships with its customers. They continue to serve the following markets: automotive, chemicals, education & healthcare, infrastructure, manufacturing, oil & gas, and renewables.
